Hi John: if Blake isn't available, can I reach you today on your cell phone? Tomorrow is a holiday for us.

Thanks,

Douglas

Hi Blake: sorry I was not able to respond on Friday.

I hope to have a proposed time for a quick call (early am/late pm) by the end of today.

Hi Douglas,

I trust all is well!

How does your late afternoon on Friday (tomorrow) look for a quick catch-up call. Just want to confirm everything is still on track, I imagine a very quick call.

Thanks,  
Blake

HI All: looking more closely at my schedule this week, I realized I have another commitment on Thursday that conflicts with our 4:30 pm MDT call.

Would 8:30 am Thursday morning work or Friday?

Thanks,

Douglas

Hi all,

Further to our discussion last week, does Oct 22nd at 4:30pm MST work for the next catch up call?

Best,  
Blake

Hi all,

My preference would be late afternoon on Friday, if we could do 430pm MST that would be great. But I am flexible.

Thanks again,  
Blake

Greetings Blake and John: early morning or late afternoon on Friday works for Valois and I.

Let us know your preference,

Douglas

Thanks Douglas.

Look forward to connecting. My schedule is relatively flexible this week. If you can recommend a few times as you have done in the past, that would be much appreciated.

Douglas,

Would it be possible to have a brief call to get an update this week on status? It would be greatly appreciated.

Sincerely,

John
